Let's celebrate!

Here are the amazing children who have gone the 'extra mile' this week to meet our school expectations.

Our expectations are:

- 1) **We are kind to one another**
- 2) **We work hard together**
- 3) **We are honest with each other**

To celebrate their achievements the children have had the opportunity to wear one of our special T shirts for the day. This is what each T shirt says:

- 1) **It's Cool To Be Kind**
- 2) **I worked Wonders**
- 3) **I did the right thing**

We are so proud of the children we hope you are too!

Celebrating Success

This week the 'Best Attendance Cup' goes to **Wrens with 97.53%** attendance

Well done and thank you to parents for ensuring your child attends school everyday!

Swallows	97.03%
Chicks 1	94.74%
Robins	93.47%
Swifts	92.34%
Chicks 2	90%

Meet Our Safety Squad

Our Safety Squad is made up of one representative from each class they wear a pink T-shirt so they are visible, their role is to be ambassadors for all children.

They attend meetings with Miss Garner regularly to discuss themes such as kind friendships as part of antibullying week, or road safety, how to stay safe on Bonfire Night and how to stay safe online to name a few. Our safeguarding champions are often involved in assemblies too.

School Readiness Drop-in session

Someone from the health visiting service for 'School Readiness' will be available in our nursery soon to offer advice and support. The health visitor will be able to signpost parents to resources about managing toilet training, behaviour, good sleep routines, fussy eating and dental health. If parents have any concerns about their child's development the health visitor can make referrals to other services quickly to ensure a child receives the right support at the right time.

Please drop in on Wednesday 4 October at 8:45am or 12:30pm. Help your child to be school ready. Remember you can also contact the health visiting service directly on 0333 358 3328

Important Reminders

To report your child's absence call the school office on 01952 387860 before 8:50am. Should you require to collect your child early from school for an appointment could you please bring an appointment card or letter into the school office when collecting.

In order to keep your child safe if we have not been notified in advance of any change in collection arrangements we will not allow your child to leave without contacting you first.

When dropping off and collecting children we ask parents to park with consideration for local residents, other road users and most importantly for children's safety. We ask parents not to access the school car park when collecting or dropping off children at anytime. Parking is available at Oakengates Leisure Centre.

A reminder that adults and children must dismount from all wheeled vehicles at the school gate, so that everyone remains safe. Scooters and bikes can be left in the racks provided.

Children should not use the adventure playground before or after school. If parents allow children to go on the equipment they do so at their own risk.

Harvest Festival

We are collecting for our Harvest festival which will take place at Holy Trinity Church on Thursday 26 October.

If you would like to contribute to our Harvest collection please bring dry food or tins to school. They will be donated to a local food bank. **Thank you**

Thank you

Following our late opening on Monday 25 September I would like to thank all parents and carers for their patience and support with this urgent matter.

It was resolved swiftly with children and staff returning to the building by 9:00am.

If you were unable to return your child to school due to work commitments this absence will be authorised.

Influenza immunisation

All Primary school-aged children, including children in Specialist Schools, in Reception Year to Year 6 (aged 4 to 10 years old on 31st August 2023) will be offered the vaccine.

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications.

If anyone within your household is currently having treatment that severely affects their immune system (For example; they need to be kept in isolation or are receiving chemotherapy) the community nurses will need to be made aware. There is a section on the letter to be sent out to be completed. There is a theoretical potential for transmission of live attenuated influenza virus to immunocompromised contacts for one to two weeks following vaccination.

Please follow the link for an informative video from NHS

A letter will be sent out to parents two weeks before the immunisation date with more information and a consent form.

Our Learning this week

Reception

This week the children have been learning to paint on the easel and have been learning to dip, wipe, paint. The children painted portraits of people who help us in school.

Year 1

The children have been learning to rap and sing the song "Hey You", the children added instruments to keep the pulse as they sang and rapped.

Year 2

The children had a wonderful visit to Ironbridge.

They were learning about the human and physical features of the gorge. Some children thought they saw the Ironbridge Ogre too!
