Spring Term: Week 6

Dear Parents and Carers,

Today marks the end of an era as we close the doors to our current site for the final time. For over 20 years, these walls have been filled with laughter, learning, and countless cherished memories. Generations of children have started their educational journey here, building friendships, discovering new skills, and growing into confident young learners.

As we step into the next chapter, we do so with excitement and optimism. While the building may change, our mission remains the same, 'Love, Laugh, Learn'. With children at the heart of everything we do, we will continue to inspire happy, resilient, and confident learners.

Our vision has always been simple but powerful: 'We want our children to be the best that they can be'. That commitment remains stronger than ever as we move forward.

Thank you for being part of this journey with us. Together, we look ahead to a future filled with new opportunities, new memories, and the same unwavering dedication to our children's success.

With warmest regards,

IMPORTANT NEWS

Dear Parents and Carers,

We are delighted to inform you that it has been confirmed that our nursery will opening at the brand-new site after the half-term break!

The current nursery site will close on this Friday 14 February, and we will open the doors to at the new site on Monday 24 February.

We are also pleased to share that we had our approval visit from Ofsted last week, which was very successful. Morris Property are now busy completing the final few jobs to ensure everything is ready for our opening.

To help your child settle into their new learning environment and to give you the opportunity to see our wonderful new space, we warmly invite parents and carers to come into the building at drop-off times during the first week, from Monday 24 February to Friday 28 February. All session times will remain the same, please see the image below for our new address, a map, and further details.

Parking Information

We have limited parking available on our own car park, which is accessible off Charlton Street. The front entrance to the nursery is located off this car park.

Additionally, there is a public car park opposite Hartshill Park at Bridge Street Long Stay Car Park, TF2 6AH. This car park is free of charge, though please note that there are no designated disabled bays. A short walkway to the left of this car park leads directly to the nursery.

Stay Connected

To help children become familiar with their new nursery, we will be posting additional photos on our website over the half-term holiday. You can also view some images of the nursery so far on our homepage: www.oakengatesnurseryschool.co.uk.

We can't wait to welcome you to our new site and look forward to seeing you all after the break!

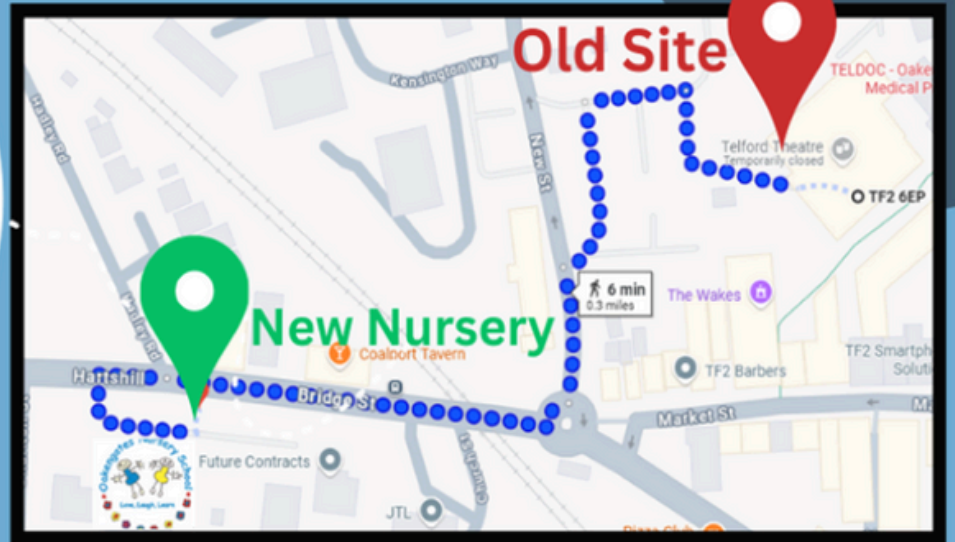

Yours sincerely,

Executive Headteacher
